

Liberty Buy Sell Notice of Data Security Incident

We are contacting you because we have learned of a serious data security incident that occurred on approximately 9/21/2016 that involved some of your personal information.

The breach involved scanned images of your photo ID that you would have provided to complete a sales transaction with Liberty Buy Sell. The information breached contained (customer names, mailing addresses, driver's license or passport #. Other information (bank account PIN, security codes, etc.) was not released.

We are notifying you so you can take action along with our efforts to minimize or eliminate potential harm. Because this is a serious incident, we strongly encourage you to take preventive measures now to help prevent and detect any misuse of your information. We have advised the three major U.S. credit reporting agencies about this incident and have given those agencies a general report, alerting them to the fact that the incident occurred, however, we have not notified them about the presence of your specific information in the data breach.

As a first preventive step, we recommend you closely monitor your financial accounts and, if you see any unauthorized activity, promptly contact your financial institution. We also suggest you submit a complaint with the Federal Trade Commission (FTC) by calling 1-877-ID-THEFT (1-877-438-4338) or online at <https://www.ftccomplaintassistant.gov/>

As a second step, you also may want to contact the three U.S. credit reporting agencies (Equifax, Experian and TransUnion) to obtain a free credit report from each by calling 1-877-322-8228 or by logging onto www.annualcreditreport.com. Even if you do not find any suspicious activity on your initial credit reports, the FTC recommends that you check your credit reports periodically. A victim's personal information is sometimes held for use or shared among a group of thieves at different times. Checking your credit reports periodically can help you spot problems and address them quickly.

You also may want to consider placing a security freeze on your credit files. A freeze prevents an authorized person from using your personal identifying information to open new accounts or borrow money in your name. You will need to contact the three U.S. credit reporting agencies to place the security freeze. The fee is \$10 for each credit reporting agency. The agencies may waive the fee if you can prove that identity theft has occurred. Keep in mind that when you place the freeze, you will not be able to borrow money, obtain instant credit, or get a new credit card until you temporarily lift or permanently remove the freeze. To obtain a security freeze, contact the following agencies: Equifax: 1-888-298-0045; web: www.freeze.equifax.com TransUnion: 1-800-680-7289; web: www.transunion.com (search for security freeze) Experian: 1-888-EXPERIAN; www.experian.com/freeze.com

For more information, see the website for the Oregon Department of Consumer and Business Services at www.dfcs.oregon.gov/id_theft.html and click on "How to Obtain a Security Freeze."
