Dear «FirstName» «LastName»:

Noble House Hotels & Resorts (Noble House) values the relationship it has with its guests and understands the importance of protecting your personal information. Regrettably, we are writing to inform you about an incident that may involve some of your information.

We began an investigation after we were notified by the Secret Service about possible fraudulent activity on the payment card system at one of our properties. We engaged a computer security firm to examine the payment systems at all of the properties we manage for any signs of an issue. Through our investigation, we learned that malware may have been installed on payment processing systems that potentially affected cards swiped at the following hotels, restaurants, and bars during the periods identified:

- Kona Kai Resort & Spa, San Diego, CA, including the Vessel restaurant and the Tiki Bar, from April 25, 2016 - August 3, 2016;
- Little Palm Island Resort & Spa, Florida Keys, FL, including the Little Palm Island Dining Room, from April 25, 2016 - June 8, 2016;
- The Portofino Hotel & Marina, Redondo Beach, CA, including the Baleen Kitchen & Lounge restaurant and the Living Room Bar, from April 26, 2016 - June 8, 2016;
- The Edgewater, Seattle, WA, including the Six Seven restaurant, from April 26, 2016 - August 3, 2016;

- LaPlaya Beach & Golf Resort, Naples, FL, including the Baleen restaurant and the Tiki Bar, from April 26, 2016 - August 3, 2016;

The information potentially compromised involved data found in the magnetic stripe on payment cards, which included your payment card number, payment card expiration date, CVV number, and may have included your name.

We are notifying you about this incident so you can take appropriate steps to protect your payment card account. We recommend that you remain vigilant to the possibility of fraud and identity theft by reviewing your account statements for any unauthorized activity. You should immediately report any unauthorized charges to your financial institution because the major credit card companies generally will not require you to pay fraudulent charges that are reported in a timely manner.

If you incurred costs that your financial institution declined to reimburse related to fraudulent charges on a payment card you used at one of the above hotels, restaurants, or bars, please contact us at the number below. We will reimburse you for any such reasonable, documented costs that your financial institution declined to pay.

We regret any inconvenience or concern this may have caused.
