Good Evening Commissioners,

The commission now has a website available at: <https://justice.oregon.gov/lesc>. Please visit the website to find information about the commission, including information about past and upcoming meetings, such as agendas, video recordings of the meetings, meeting minutes, and meeting materials. The website also includes a few online resources.

Please remember to send any materials you would like the commission to consider to [orlawenfcommission@doj.state.or.us](mailto:orlawenfcommission@doj.state.or.us). We will be posting information we receive from commission members to the website, so please check back as often as you are able to do so. We will also send out all materials we receive with the agenda prior to the commission meetings.
